

PAR 16 LANTERNS

The par 16 lantern is a scaled down version of the par 64 lantern, suitable for use with MR 16 12 volt lamps. The lantern is supplied with a wiring set and color frame. The new par 16 lantern has chassis mounted lampholder and yoke stop. The Par 16 with transformer features transformer mounted in housing, fitted to yoke of lantern. This lantern is available with a UL listing.
